SUMMARY

Well versed and quite inquisitive computer science student, with both practical and hobby experience in software design and development.

EXPERIENCE

Certified Trainer, Davanni's Pizza & Hoagies

Savage, Minnesota — 2013-

Throughout this experience, I have worked in all positions through the execution of my duties. I also perform the certification and training of other employees, through a well established and tried process

Accomplishments

- Certified on all positions throughout the store
- Experience with customers
- Training and teaching experience
- Instilled work ethic

Freelancer, Independent Work

Savage, Minnesota — 2010-

Have performed various freelance projects independently and developed through the use of various programming methodologies.

Accomplishments

- Completed various projects, mostly in Java
- Gained valuable insight into working with clients

Hobby Pursuit, Independent

Savage, Minnesota — 2008-

Throughout the last eight years, I have constantly maintained a status of performing personal projects in the area of software development, for my own enjoyment, both in teams and independently

Accomplishments

- Java multiplayer 3D MMORPG Game, with protocol buffers
- Custom built virtual machine
- Z80 emulator
- Operating system and kernel built from scratch
- Prototype car infotainment system
- Encrypted bootloader

SKILLS

- Extensive experience with Python, C, C++, Java, Node/Javascript, PHP, Clojure, Web Design, Database work (MongoDB, CouchDB, Postgres), ObjectiveC
- Some experience with Ruby on the rails
- Bash scripting automation and Fish
- Embedded work, including custom bootloader and PIC design

- Systems Administrator for private sites

Computer Science Tutor, Independent

Minneapolis, Minnesota — 2016-

Throughout the last year, I have extensively worked at a private tutor to a selection of students

EDUCATION

Augsburg College

Computer Science B.S — 2016-2019 (expected)

Currently studying at Augsburg College, in pursuit of a bachelor of science degree in computer science. Currently I am tutoring several students and maintain a good presence on campus, being considered a sophomore based on credits.

SKILLS

- Maintaining a minimum 3.0 GPA
- Pursuing a degree in computer science
- Currently have sophomore status at school due to previous credits.

Prior Lake High School

2013-2016

Graduated Prior Lake High School with a 3.3 cumulative GPA as well as being in robotics and the computer support group
